

Mat-Su Trail Users – We need to hear from YOU!

Share your trail ideas + concerns. Join us at a Mat-Su Trails Master Plan Meeting

Are you a trail user?

Yes? Then help create an integrated trail system in the Mat-Su Borough!

Tell us:

- What trails are important to you?
- How should we prioritize trail projects?
- Have you experienced challenges that limited your ability to use and develop trails?

Who is the Mat-Su Trails and Parks Foundation?

- We are a local organization that started in 2011
- We are focused on providing resources to coordinate trail development + improvement
- We work with user groups, the Borough, and other agencies to build, fund, and maintain Mat-Su trails and parks.

We've been doing a lot of planning lately...How is this plan different from other trails plans in the area?

- We are not trying to duplicate those efforts!
- We are using existing plans to inform the work on this project.
- We want to know how the Foundation can best support users and organizations to accomplish regional trail goals.
