## **Parks, Trails and Recreational Fields Master Plan Public Meeting Notice Household Survey Results Will Be Shared!**

**The City of Palmer is planning for the future  
of Palmer's parks, trails and recreational fields!**

If you would like to provide input on the proposed future of the City's park system, we want to hear from you. The Community Development Department of the City of Palmer is hosting the first of four public meetings to gain your insight and feedback on the desired outcomes of the City's Parks, Trails and Recreational Fields Master Plan.

**Meeting # 1: Wednesday, May 25, 2011**

**Location:** Palmer Library Meeting Room  
655 South Valley Way  
Palmer, AK

**Time:** 7:00 – 8:30 pm

### Background

In January 2011, the City began a nine-month process to develop a Parks, Trails and Recreational Fields Master Plan. This process is grounded in multiple forms of community input that is being utilized to develop the plan. These include four public meetings, numerous focus groups and interviews, and a statistically-valid household survey.

The consulting team led by PROS Consulting, LLC, has been hired by the City to assist in organizing and facilitating the planning process, and to produce the final plan. The project team will utilize public input to identify the community's prevailing needs, interests, values, and priorities related to parks, recreation, trails, and recreational fields for the next 10 years.

**Anyone who is interested in the City of Palmer's Parks, Trails and Recreational Fields is urged to attend the upcoming and future meetings. For further information contact Sandra Garley at 761-1322 or email at [sgarley@palmerak.org](mailto:sgarley@palmerak.org).**
